RESTRICTED

All coupons are valid for the period 1 - 30 November, except the "shaving or toilet soap" coupons, which are valid until 31 December, and a few bread coupons, which are specially marked for limited periods only. In industrial catering, brigade kitchens, convalescent homes, and in catering for children, youth, and schools, bread coupons may be surrendered regardless of their limited validity. Coupons for the Christmas candy collection are valid until 31 December 1952.

Special provisions are made for persons who are billeted communally. Although they are issued individual ration cards, the management of their institution may present the coupons in bulk to the various suppliers.
